EMPLOYMENT

IT Specialist, Lakehurst, NJ

Naval Air Systems Command (NAVAIR)

Aug 2018 - Present

- Updated Support Equipment (SE) Inventory Transactions in Support Equipment Management System (SEMS) Production using PL/SQL and Tools for Oracle Application Developers (TOAD).
- Worked on SEMS User Interface Screens using JDeveloper/ADF, and Java to allow Automated Supported Equipment Recommendation Data (AUTOSERD) users to retrieve fleet SE Inventory data easily.
- Helped AUTOSERD users with general and technical queries.

Student Manager, Piscataway, NJ

Rutgers Math and Science Learning Center (MSLC)

Sep 2017 – May 2018

- Added duty totals on all surveys into the database to record student workers duty.
- Inspected each station for cleanliness to ensure each student worker adheres to the MSLC rules.
- Allocated points to student workers to maintain the MSLC policies.
- Made sure no student takes advantage of their hours (no unapproved overtime)
- Trained new student workers.

Computer Lab Consultant, Piscataway, NJ

Rutgers Math and Science Learning Center (MSLC)

May 2017 – Sep 2017

- Checked Computers and made sure all computers were working and up to date.
- Assisted and helped Students with computer troubleshooting issues.
- Entered student information on Log Sheet (manual sign in/out).
- Filled out MSLC Computer Room Survey every half an hour by counting the number of students using the computers.
- Tracked and checked students to see no one ate or drank during the lab class (as per Rutgers MSLC policy).

Web Application Engineer Intern, Weston, CT (Remote)

Technical Consulting and Research, Inc.

May 2017 – Aug 2017

- Tested the Resilify website for any errors and offered suggestions to improve the website aesthetics.
- Cloned Opigno Learning Management System (LMS) via the Solution Stack (MAMP) and created a test quiz for students to collect their quiz performance data.
- Imported quiz data and user information in Opigno LMS via XLSX and CSV files which resulted in populating the quiz content in less time and effort.
